- H) Music players are allowed but NO PROFANITY and THE VOLUME MUST BE KEPT TO A MINIMUM.** Volume is at the discretion of the umpire and/or Diamond Manager. The safety of participants, umpires, staff and spectators is paramount and if they cannot hear, this presents a safety issue. Teams will be given one warning about the music before being asked to remove the player from the ball park. If problem persists, it will be at the discretion of the umpire/diamond manager to forfeit the game. Be mindful of others at the facility.
- I) ALL PLAYERS** except the batter and the batter on deck must remain in the dugout. One coach on first base and on third. Only eligible team personnel are allowed in the dugout or on the bench.
- J) If in the judgment of the umpire, a runner is INTERFERING OR TACKLING** a positioned player, then the runner is automatically out and may be ejected from the game.

- **THE GAME**

- A) First team listed is the HOME TEAM.** Line-ups must be given to the scorekeepers at least 10 minutes before game, via call/text/walk-up.
- B) The START of each game and ENDING TIME** should be recorded in the scorebook.
- C) GAME TIME IS FORFEIT TIME.**
- D) A regulation game shall consist of 7 innings (6 ½ if the Home team is ahead).** Five (5) innings will constitute a legal game if stopped due to rain, lightning, or other causes, which in the umpire/diamond manager's judgment interferes with further play.
- E) Games that have not completed 5 innings will be rescheduled and begin from the start.**
- F) If the game is tied after 7 innings, the game will go into extra innings until one team has scored more runs than the other team at the conclusion of the inning.**
- G) No new inning shall begin after 50 minutes from the start of the game.** Umpires will keep the official time.
- H) All players at bat start with a 1-1 count.** (Players will receive 3 balls and 2 strikes).
- I) RUN RULE-15 runs after 3 innings-10 runs after 5 innings.**
- J) The Flip/Flop rule will be in effect.** In the inning when the run rule is exceeded and the home team is losing, the home team will remain at bat and become the visiting team. If the new visiting team (old home team) does not score enough runs to reduce the run difference below the run rule, the game is over. If they reduce the run difference to below the run rule, then the new home team (old visiting team) will bat. If they subsequently score enough runs to exceed the run rule the game is over, if they do not the game will continue under that format. If the situation reverses, the teams would flip/flop again.
- K) Two (2) HOME RUN RULE PER TEAM THEN 1-UP RULE.** (This rule is defined as each team is allowed two home runs. After the second home run each team is allowed one home run as long as the opposing team gets a home run also. If the first

team that gets a home run; gets another before the opposing team it is an automatic out.)

- L) The batter is out if they hit a second foul ball after two strikes and the ball will automatically be dead. (This is a courtesy foul.)
 - M) A balanced batting line-up of women and men must be used. A team may insert two ADDITIONAL HITTERS into its line-up. The batting order must remain constant; however, any 10 of 12 played can take a defensive position throughout the game. **IT IS NOT MANDATORY THAT A TEAM USE an AH** but failure to declare such hitter prior to the game, precludes the use of an AH in that game. There will be no forfeit if a team loses its AH prior to the game.
 - N) WHEN A MALE BATTER receives a base on ball or intentional walk, he will be awarded first and second base with the next female batter having the option to walk or bat. She must decide before entering the batter's box. Once in the box, she must bat.
 - O) If in the judgment of the umpire a player is intentionally "HOGGING" on the initial play, of a batted ball, during a defensive play (stepping in front of another player to make a catch), the next time that team comes up to bat they start with an automatic out.
 - P) The only exception to the "HOGGING" rule is in the last inning. If a team is tied or ahead in the last inning and is guilty of "HOGGING" on a fly ball or force out, the batter is awarded first base. If the play is made on a tag play, the out is disallowed and the runner is awarded the base where the penalty occurred.
 - Q) Equal number of men and women in the infield and outfield, unless playing with 9 players and the pitcher and catcher must be of the opposite gender (i.e., male pitcher/female catcher).
 - R) USSA pitching rules: 3-10 foot from the release with a height of 10 foot, anything else is a ball.
 - S) **TOURNAMENT PLAY:** In case of a tie, based on the season standings, the teams will go head-to-head looking at number of runs allowed. The higher seed is the home team. This is in effect for the entire tournament night. The lower bracket is **NOT** a loser bracket but a guaranteed consolation game, to ensure you get your proper number of games.
- **EQUIPMENT**
 - A) Shoes **MUST** be worn. All-purpose shoes are recommended. Track and football shoes are illegal and will be barred. **METAL SPIKES ARE PROHIBITED. ANY PLAYER USING THESE TYPES OF SHOES WILL BE ASKED TO LEAVE THE GAME.**
